Subject: Appeal Proceedings for Case # 09/900,484

Dear Mr. Cabeca,

This note is in response to a phone conference I had, on behalf of the Applicants, with Examiner Bonshock on May 11, 2005 regarding the status of the appeal proceedings for case # 09/900,484. During the May 11, 2005 phone conference, Examiner Bonshock notified me that an appeal conference had met to discuss this case and had found allowable subject matter present within the claims. Mr. Bonshock presented these findings to me and inquired whether the Applicants would accept allowance of the case based upon the discovered allowable matter or prefer to continue with the appeals process. Mr. Bonshock also notified me that a deadline for our response was set for 12:00 pm (PST) on May 12, 2005. We have been unable to reach the Applicant within this time frame to adequately discuss the matters at hand.

On behalf of the Applicant, I respectfully request an extension of time until 12:00 pm (PST) on May 18, 2005 for response to this matter. If you have any concerns or questions regarding this matter, please contact me via email or the number below.

Respectfully submitted,

Andrew Israel
